Skills

- **Languages**: C / C++, DSA, Python, Kotlin
- **Libraries:** NumPy, Pandas, Matplotlib, Seaborn, Scikit - Learn
- **Frameworks**: HTML and CSS, XML
- **Tools/Platforms**: MySQL, IntelliJ Idea, Google Colab, Android Studio
- **Soft Skills**: Problem-Solving Skills, Adaptability, Creativity

Projects

- **Secure E-voting System:** July 2025 – August 2025

  Project Overview: Architected and engineered a blockchain-inspired secure e-voting system that ensures transparency and tamper-resistant data integrity. Implemented advanced voter authentication and eliminated duplicate votes using hash-chained blocks and Merkle Tree validation. Added real-time vote verification and dynamic result visualization to enhance election trust and transparency.
  Tech stacks used: C++, OpenSSL, Blockchain Concept, Cryptography, Data structure, SHA-256.

- **Chatbot for E-Governance:** April 2025 – May 2025

  Project Overview: Architected and deployed a smart chatbot capable of automating public service queries and boosting transparency in e-governance platforms. Leveraged supervised ML models with Flask to generate context-sensitive responses from a JSON-driven knowledge repository.

  Tech stacks used: Python, Flask Machine Learning, NLP, HTML, CSS, JSON.

Summer Training

- **Logic Building, Programming, and Data Structure:** June 2025- July 2025
  - Completed a certified skill development program organized by the Center for Professional enhancement.
  - Gained hands-on experience in applying logical thinking, problem solving, and structured programming techniques.
  - Worked on building efficient algorithms and understanding core data structures for real world problem applications.
  - **Key skills:** C++, Data Structure, Algorithms, Problem Solving, Logical Reasoning.

Certificates

- Basic Problem (Basic)- (C++) by Hacker Rank June 2025
- C, C++, DSA and STL (MySirG) June 2024

Achievements

- **Secured Global Rank2843rd**:
  Among 50k+ participants in Leetcode Biweekly Contest 96

Education

- **Lovely Professional University** Punjab, India
  Bachelor of Technology - Computer Science and Engineering ***CGPA 6.5*** *Since August 2023*
- **Tulsi Intermediate College** Kunda, Pratapgarh
  Intermediate; ***Percentage: 80%***
